WORK EXPERIENCE

- Freelance in Video and Photo Editing

Jan 2023

 - Delivered polished and engaging video edits, enhancing overall visual storytelling for YouTube content, social media posts, and client marketing materials.
 - Improved clients' content creation workflow by organizing assets, refining editing processes, and ensuring smooth coordination during production.
 - Enhanced image quality through advanced retouching and photo editing, producing clean, appealing visuals for e-commerce, portraits, and promotional use.

- Sideline / Remote Work – QA Assistant & Bug Finder (Rideshare & Opoli)

Sept 2022 - Dec 2024

 - Supported platform reliability by identifying system bugs, UI inconsistencies, and workflow issues across the rider and driver apps.
 - Conducted manual testing on new features and updates, helping ensure smooth functionality before deployment.
 - Documented software issues with clear steps, screenshots, and expected vs. actual results, improving communication between QA and development teams.
 - Performed routine app checks for performance, usability, and error detection, contributing to an improved user experience.
 - Collaborated remotely with project leads to verify fixes, retest patches, and track ongoing issues for resolution.
